Vegetable Drawer with VitaLED

The drawer features higher humidity than the main refrigerator compartment and is ideal for storing and keeping fruit and vegetables crisper and fresher for longer.

Automatic Ice Maker

There is no need for a separate plumbing connection. The removable water tank can be filled with water and the Ice Maker is ready to go!

Sliding Case

The Double Sliding Cases allow for easy access and greater storage. Ideal for separately storing dairy products and chilling drinks in suitable sizes.

2-Way Flexi Glass Shelf

Make the Tempered Glass shelf deeper or push it in for more space. It is ideal for storing taller items such as a salad or dessert bowl.

Freezer Drawer

It is roomy enough to fit bulky items such as ice cream tubs, loaves of bread and frozen vegetables.

4.0 Star Energy Rating

The number of stars on the energy rating label helps you compare the efficiency of the same volume and similar type. (MR-CX492EP)
